Notes:

- Step 7 is tricky as walking past while the dialogue box suddenly appears may result in a failed quest and need to repeat step 6. I suggest after defeating the Frus to walk 1 cell at a time toward the center.
- The Valkyrie Mercenary can be brought out of the quest area (Quest fail conditions and upon changing into an archbishop)

For those having a hard time finding the spot in Yggdrasil Tree the map below may help

A large tree obscures the path towards the spot. Pic below is the marked green spot of the ygg map while the red spot is where
